

Water Education for Latino Leaders

Please fill out the form below. Once completed, please send to [victor@latinosforwater.org](mailto:victor@latinosforwater.org).

**What is WELL UnTapped?**

*WELL UnTapped* is a selective, year-long program for local elected leaders aimed at helping participants make an impact in California water policy while addressing community challenges with water. *WELL UnTapped* accomplishes its mission by comprehensive and active exploration of history, governance, public policy, geography and economics and their relationship to human rights and climate change.
